Dress Code Policy

At RCS our focus is on understanding God and His world through our educational process and avoiding distractions that might hinder us in this focus. Cell Phone Policy (communication devices)

Students will not be allowed to carry or use cell phones during the school day (8:45-3:55). The use of devices such as smart watches may not be used for communications during this same time period. Phones are available in our office should a student need to contact their parent/guardian. Additionally, if you need to get a message to your child, you can do that by calling the main office. If a student brings a cell phone to school for use after school, it will be the STUDENT'S responsibility to ensure their phone remains OFF and stored in their locker during the school day.

Storage of cell phones (If brought to RCS):

- Devices are REQUIRED to be powered off and stored inside your locker upon arrival to school and must stay powered off and in your locker until the end of school.

NOTABLE Consequences for misuse
Should a student choose to violate the RCS cell phone policy, the following will occur:
